Kerry consistently receives a 100 percent rating from groups committed to banning all guns in the U.S. He voted to hold law-abiding gun owners liable if their guns were stolen or misused, to allow the FBI to charge an unlimited gun tax on firearms purchases, and even voted for a 10-year prison sentence for anyone selling a gun to a friend or family member.....	31	22	18	27	3	52	45

116 (SPLIT F) John Kerry has proven he can't be trusted to support our troops in Iraq. Despite his vote for the war, he was one of only 12 Senators to vote against funding for our troops on the ground. 119 (SPLIT G) George Bush is using the gay marriage issue to avoid having to defend his record in Iraq, jobs and health care. The truth is, I oppose gay marriage and have consistently said that marriage should remain between a man and a woman. Bush is pushing to amend the U.S. Constitution to bar gay marriage, but that is just politics. I believe the states should be allowed to define marriage, as they always have. My goal is to focus on issues that impact families now, like keeping jobs in the U.S., making health care affordable for all, and focusing our resources on building a stronger America.....

121 I believe a strong middle class is critical to a strong America. My economic plan repeals Bush's tax cuts for those making more than 200 thousand dollars a year and the loopholes that encourage companies to outsource jobs overseas. My plan cuts taxes for the families and the middle class, for college tuition and small businesses. It works to get health care costs down, saving an average family about \$1000 a year on health insurance. Strengthening the middle class is our starting point in making a stronger America at home. ....	36	17	8	19	19	1	<b>53</b>	<b>61</b>

122 (SPLIT F) I do not wear my religion on my sleeve, but my faith has given me the values and hope that guide my actions every day. I don't believe faith is about narrow appeals on issues that divide us, but rather the shared values that unite us - family, faith, hard work, opportunity and responsibility for all, so that every child, every adult, every parent, every worker in America has an equal shot at living up to their God-given potential. ....
