63 In order to revitalize our economy, we need to put money back in the hands of individuals and business investors. 65 We've achieved a great victory in Afghanistan, but the war on terrorism has just begun. Rogue nations like Iraq, Iran, and North Korea constitute an axis of evil and threaten the safety of all peaceful nations. We will take all necessary measures to prevent them from threatening our security by developing weapons of mass destruction and harboring terrorists within their borders. ....	45	34	11	7	4
66 We need an energy policy that plans for the future but meets the needs of today. The less dependent we are on oil from the Middle East, the more secure our nation is.
